QUARTER OF A CENTURY

A Sketch of the Chinese
Y. M. C. A.

WRITTEN BY MR. GOO KIM

He Tells of the Early Days of Pros-
elytizing Among His Race
Here.

The following is a brief history of the
Chinese Young Men's Christian Asso-
ciation of Honolulu from the date of or-
ganization to June 12th, 1900, the 25th
anniversary, by Goo Kim, Chinese Vice
Consul, translated into English by Wm.
Y. Kwai Fong:

This Chinese Y. M. C. A. was formed
in the year of our Lord 1875, for the
purpose of spreading the Gospel of
Jesus Christ among the Chinese. At
that time there were very few Chinese
residents in these islands who had ever
heard of God and of our Savior Jesus
Christ, but there was a good Chinese
Christian, Siau Hung by name, who
was the first man to preach the Gospel
to us at Bethel church, and who also
opened a night school for the study of
English. This was the beginning of the
work to Christianize the Chinese in
these islands. But not long after Mr.
Siau Hung left together with his
family. During this period when we
had no pastoral aid, we were as-
sisted by a certain member of a brother-
hood society, whose name I cannot
recall, who sympathized with us be-
cause as a flock we were without a
shepherd.

He suggested the plan to send to San
Francisco to secure a Chinese pastor
to aid the Christian work in Honolulu,
and we succeeded in securing a man
named Mr. Sit Moon. After his arrival
in Honolulu, he at once went to work
and preached the Gospel to the Chinese
at Bethel Church, where Father Damon
kindly let us hold our services, and
also helped us to a considerable extent.
Yet there were very few who came to
hear the Gospel and sometimes none at
all, and it was a pity that the work
progressed so slowly.

One day Mr. Sit Moon came to my
store on Nuuanu street. There we met
Mr. L. Asau, the present secretary of
this Y. M. C. A., and we considered
what steps should be taken to spread
the Gospel in the Hawaiian Islands
among our nationality. Mr. Sit Moon
said we should open a Young Men's
Christian Association, for the benefit of
those who wished to study the gospel,
and this met with our hearty approval.
L. Asau gave \$100, I \$100, and Sit Moon
\$20 to start a fund. The first Y. M. C. A.
meeting place was in Bethel church.
With the assistance of Father Damon
we held an enthusiastic meeting, and
six new members joined at this first
meeting, whose names are as follows:
Yap Ten Siau, Chee Fook, Chun Fook,
Lee Sam, Chai Yee and Wong Nym
Tehin. Thereafter the members de-
cided to hold meetings every Tuesday
to study more about Jesus and His Gos-
pel. It was not until November 13,
1877, that we adopted our constitution
and by-laws, drafted by the Hon. S.
B. Dole, the President of the Republic
of Hawaii, and sworn to be our Govern-
or, who helped us greatly to secure a
charter from the Government. Presi-
dent Dole has been very kind to us,
for he did not charge us anything for
the work he had done. In 1878 the ex-
penses for the maintenance of this as-
sociation having increased, it was de-
cided to open a crockery store on Nu-
anu street for the purpose of using its
profits to support the association. The
upper floor was turned into a spacious
hall, and provided with books and
magazines for the benefit of its mem-
bers. In the same year we bought a
burial lot at Makiki for the interment
of the bodies of its members who had
gone to the world beyond. In 1881 the
Chinese church was completed, and we
moved our association to the new Chinese
church parlor, and provided a fund
of \$100 for the support of the pastor and
\$25 for the janitor from the treasury of
the Y. M. C. A. In 1884 we bought a
piece of land at Palama at the price
of \$2,500.00. In 1885 the membership in-
creased largely and the church parlor
was not large enough to accommodate
the members. We again decided to buy
a lot and build a Y. M. C. A. building;
each member subscribed liberally to-
wards the building fund, and in De-
cember 3 of the same year this build-
ing was completed. The opening cer-
emony was performed with much sing-
ing and praises to the Lord, also re-
freshments were served at the end. The
total costs of this building and lot be-
ing over \$5,000.00. Since we have had
this new association we have opened a
school for boys, and also provided
rooms for the use of people arriving
from the country. We have a regular
business meeting the first Tuesday of
each month, and have prayer meetings
every Sunday from 6 to 7 p. m.

FIRST GRAND JURY.

**Hawaii Has Initial Session of That
Inquisitorial Body.**

Deputy Attorney-General Cathart
has returned from Hawaii well sat-
isfied with the results of the meeting of
the grand jury at Honolulu. This body
was the first one to be summoned un-
der the Territorial law, the first one to
meet in the Islands. W. Horner was its
foreman and it was composed of well
known citizens of the Island of Hawaii.
Four indictments were found, and
three of the accused men were con-
victed, the fourth, who was charged
with false impersonation forfeiting his
bail.

Fugihara, one of the men indicted,
was charged with murder in the first
degree and was convicted and senten-
ced to be hanged in Hilo on September
21st. If sentence is carried out upon
him he will be the first man to be hanged
in Hilo in the memory of man. All
the executions that have taken place
on the Islands in the last twenty or
thirty years have been at the Oahu
penitentiary. All of the appliances for
the successful carrying out of an ex-
ecution are here while there is almost
nothing of the kind at Hilo and the
entire equipment will have to be ob-
tained for the execution. There is how-
ever, no reason under the Territorial
law why executions should not take
place wherever the sentencing judge
shall prescribe, though the rule is in
most of the States nowadays that all
executions shall take place in the State
penitentiary.

The other two cases at Honolulu were
for manslaughter and murder in the
second degree and the accused men
were sentenced to six years and life im-
prisonment respectively.

NOTES OF SPORT IN HAWAII NEI

There was a cricket practice among
members of the Honolulu Cricket Club
last Saturday afternoon at Waikiki.
The following members participated:
Messrs. R. Anderson, D. W. Anderson,
A. W. Bottomley, J. Cockburn, R. A.
Jordan, H. Harrison and several visit-
ors.

The next match will probably be with
Theo. H. Davies & Co.
The members of the Young Men's
Christian Association baseball club, are
putting in some useful practices on the
Drill Shed ground.

The following is the pedigree of Lar-
ry Dee's good mare Octoroon, who has
recently come among us:

Octoroon, black mare, seven years,
sired by Soudan (277/2), he by Sultan;
he by The Moor.

First dam, Hattie by Tom Patchen;
he by Geo. M. Patchen, (227),
Second dam, by Joseph Thorough-
bred.

Third dam, the dam of Quinn's Patch-
en, by Stockbridge Chief, Jr.

On May 22nd Queen, a Button mare
dammed by Falrose, gave birth to a
handsome colt. The colt, from its line
of parents is a thoroughbred, Mr. L.
H. Dee, the owner, intends by next
Kamehameha Day to show a mile in
three minutes by a yearling which will
be quite a speed achievement for this
country.

Jack Gibson will take charge of the
colt for training purposes in November.
Prince David has a horse named
Prince David. The animal is a prom-
ising two-year-old having won two races
recently in the East. The manager of
the stable, Kittleman, at present owns
Myth and Midnight, two reliable bread-
winners. The stable is at present rac-
ing at Fort Erie, N. Y.

**CURE FOR CHOLERA INFANTUM—
NEVER KNOWN TO FAIL.**

During last May an infant child of our
neighbor was suffering from cholera
infantum. The doctors had given up all
hopes of recovery. I took a bottle of
Chamberlain's Colic, Cholera and Diar-
rhoea Remedy to the house, telling
them I felt sure it would do good if used
according to directions. In two days
time the child had fully recovered. The
child is now vigorous and healthy. I
have recommended this remedy fre-
quently and have never known it to
fail.—Mrs. Curtis Baker, Rockwater,

HILO SAYS IT HAS A RIGHT TO HEAR THE BAND TOOT AS WELL AS HONOLULU

When a number of Hilo citizens sent a petition to the officials at Grubville
that the Government band be allowed to visit Hilo on the Fourth of July
they reckoned that with the change of Government there might also be a change
of heart, says the Hilo Herald. The Honolulu Star says the band was not sent
up because the men had to pay their own expenses on the trip three years ago,
and as this last request was not accompanied by a check, the band would not
toot in Hilo.

Residents of the Islands have been under the impression that they have con-
tributed by taxation for the support of this band, and the people of Hilo feel that
on an occasion like that of the Fourth of July they might have a bit of wind for
their money.

The editor of this paper distinctly remembers an item which appeared in a
Honolulu paper months after the band returned from Hilo, and that item intimat-
ed that the Government had shown a mean streak in compelling the band boys
to pay their expenses of the trip.

The editor was promptly called down by the Minister of Foreign Affairs
for publishing the item and making a misstatement. He said: "It is not true that
the band boys have been compelled to pay their expenses to Hilo; there is nothing
in the appropriation to cover such expenses and we have merely reduced the pay
of the boys so as to keep within the appropriation for the period. It was either
that or discharge some of the musicians, and we do not think that advisable."

Ever since the band has been in existence the residents of all the Islands have
contributed towards its support; why should they not have the pleasure of listen-
ing to the music without being obliged to go to Honolulu for the purpose?

When Minister of Foreign Affairs, Attorney General Cooper expressed a wish
that the Legislature might appropriate money so that the band could visit the
other Islands in turn.
